 23 HILL ACQUISITION COMPANY, INC. (hereinafter "TWIN HILL"); TAILORED BRANDS, INC.
 24 (hereinafter "TAILORED BRANDS"); and DOES 1 through 100, inclusive, and each of them,
 25 complains and alleges as follows:

GENERAL ALLEGATIONS

26
 27 1. There are 19 of the aforementioned Plaintiffs who currently are, residents of the State
 28 of California.

2. There are 79 of the aforementioned Plaintiffs' who currently are, residents of states or nations other than the State of California.

3. At all times mentioned herein, defendant TWIN HILL ACQUISITION COMPANY, INC. (hereinafter "TWIN HILL") was, and is a corporate entity incorporated in the State of California and doing business at 6100 Stevenson Boulevard, Fremont, California 94538-2490.

4. At all times mentioned herein, defendant TAILORED BRANDS, INC. (hereinafter "TAILORED BRANDS") is a corporation with principal corporate and executive offices in California.

5. The true names and/or capacities, whether individual, corporate, associate or otherwise of defendants DOES 1 through 100, inclusive, and each of them, are unknown to Plaintiffs, who therefore sue said defendants by such fictitious names. Plaintiffs are informed and believe, and thereupon allege, that each defendant fictitiously named herein as a DOE was legally responsible, negligently or in some other actionable manner, for the events and happenings hereinafter referred to and proximately thereby caused the injuries and damages to Plaintiffs as hereinafter alleged. Plaintiffs will ask leave of court to amend the complaint to insert the true names and/or capacities of such fictitiously named defendants when the same have been ascertained.

6. Plaintiffs are informed and believe, and thereupon allege, that at all times mentioned herein, defendants, and each of them, including DOES 1 through 100, inclusive, and each of them, were the agents, servants, employees and/or joint venturers of their co-defendants and were, as such, acting within the course, scope and authority of said agency, employment and/or venture and that each and every defendant, as aforesaid, when acting as a principal, was negligent in the selection and hiring of each and every other defendant as an agent, employee and/or joint venturer.

7. At all times mentioned herein, Plaintiffs are and were actual employees of American Airlines Inc. or of commuter airline companies that had working relationships with American Airlines, Inc. (Hereinafter collectively referred to as "American Airlines employees").

8. In or about September 2016, American Airlines Inc. implemented a change of uniforms for its worldwide workforce, including but not limited to flight attendants, pilots, ground crews, maintenance crews and service agents. These uniforms (hereinafter "UNIFORMS") were and are

1 manufactured and/or distributed by Defendant TWIN HILL, and/or TAILORED BRANDS and DOES
2 1-100. On information and belief, TWIN HILL, TAILORED BRANDS, and DOES 1-100 shipped
3 approximately 1.4 million garments and accessories to more than 65,000 American Airlines
4 employees worldwide. These UNIFORMS were received by various American Airlines employees at
5 various times commencing mainly in or around September 2016 and thereafter.

6 9. As more fully alleged below, these UNIFORMS, manufactured and/or distributed by
7 Defendant TWIN HILL and/or TAILORED BRANDS, AND DOES 100, are dangerously defective as
8 they created and create an unreasonable risk of physical harm to those who wear them and to those
9 who are exposed to them.

10 10. Since the introduction of these UNIFORMS into the workforce, people wearing these
11 UNIFORMS and/or or those exposed to these UNIFORMS have experienced a plethora of health
12 problems, including, but not limited to: dermatological injury, respiratory injury, neurologic injury
13 and allergenic/immunological injuries including, but not limited to, skin rashes, allergenic skin
14 reactions, ear, nose and throat irritation and inflammation, nerve injuries, allergenic and
15 immunological hypersensitivity, auto-immune dysfunction and injuries and numerous other symptoms
16 involving the dermatological, respiratory, neurological and immunological systems.

17 11. The UNIFORMS have been tested by entities hired by TWIN HILL and by American
18 Airlines and the test results show the presence of synthetic materials which contain, but are not limited
19 to, at least the following: formaldehyde, pentachlorophenol, monochlorophenols, tetrachlorophenols,
20 trichlorophenols, toluene, cobalt, cadmium, captafol, chromium, copper, nickel, antimony, benzyl
21 benzoate, hexyl cinnamic aldehyde, benzaldehyde.

22 12. The aforementioned chemicals can cause injury to human beings either alone or in
23 combination with each other. Attached as **EXHIBIT 1** is the Court Ordered Exhibit which alleges the
24 specific chemicals and combination of chemicals which Plaintiffs' allege are substantial factors in
25 bringing about, prolonging, or aggravating specifically identified symptoms and illnesses in each of
26 the Plaintiffs.

27 13. All Plaintiffs mentioned herein have experienced adverse health consequences as a
28 result of wearing or being exposed to the mandated UNIFORMS, which were manufactured,

distributed and provided by TWIN HILL, and/or TAILORED BRANDS, and DOES 1-100 to Plaintiffs.

14. Plaintiffs are informed and believe, and thereupon allege, that TWIN HILL and/or TAILORED BRANDS, and DOES 1-100 manufactured and distributed the UNIFORMS to Plaintiffs.

15. TWIN HILL and/or TAILORED BRANDS, and DOES 1-100 did cause adverse health conditions to Plaintiffs by providing UNIFORMS to the Plaintiffs that were negligently manufactured so as to cause adverse health consequences and did cause such adverse health consequences.

16. Plaintiffs are further informed and believe, and thereupon allege, that the Defendants did not have adequate safety mechanisms in the manufacturing and distribution of the UNIFORMS so as to reasonably ensure the safety of Plaintiffs.

17. As a result the Defendants' defective products, Plaintiffs suffered severe and permanent injuries while wearing and/or being exposed to the UNIFORMS.

18. Plaintiffs are informed and believe, and thereupon allege, that the UNIFORMS manufactured by TWIN HILL were designed, manufactured, and distributed by TWIN HILL, and/or TAILORED BRANDS, and DOES 1-100.

FIRST CAUSE OF ACTION

STRICT PRODUCTS LIABILITY

(Against All Defendants; and DOES 1 through 100 inclusive)

19. Plaintiffs allege as though fully set forth at length, and incorporate herein by reference, all of the allegations and statements contained in paragraphs 1 through 18, inclusive, of the General Allegations, above.

20. Plaintiffs are informed and believe, and thereupon allege, that at all times herein mentioned, defendants TWIN HILL and/or TAILORED BRANDS; and DOES 1 through 100, inclusive and each of them, by and through their officers, directors, employees and/or managing agents, were the manufacturers, fabricators, designers, assemblers, testers, distributors, sellers, inspectors, marketers, warrantors, lessors, renters, suppliers, modifiers, providers and/or advertisers of the UNIFORMS, which contained design and/or manufacturing defects, and every component part thereof, and which was capable of causing, and in fact, did cause personal injuries to the users and

BALABAN & SPIELBERGER LLP

LOS ANGELES, CALIFORNIA 90049

1 consumers and bystanders thereof, including Plaintiffs, while being used in a manner reasonably
2 foreseeable, thereby rendering the UNIFORMS unsafe and dangerous for use by the consumer, user
3 and/or bystander. Defendants TWIN HILL and/or TAILORED BRANDS; and DOES 1 through 100,
4 and each of them, by and through their officers, directors, employees and/or managing agents, also
5 failed to provide adequate warnings to consumers and users of the UNIFORMS concerning the
6 significant dangers associated with the UNIFORMS, or to instruct consumers and users regarding the
7 use and dangers of the UNIFORMS, and warned or failed to warn, and instructed or failed to instruct,
8 anticipated users of the UNIFORMS, concerning use and dangerousness of the UNIFORMS.

9 21. Plaintiffs are informed and believe, and thereupon allege, that at all times mentioned
10 herein, the UNIFORMS were defective when placed on the market by defendants TWIN HILL and/or
11 TAILORED BRANDS; and DOES 1 through 100, and each of them, and was of such a nature that the
12 defects would not be discovered in the normal course of inspection and operation and use by users
13 thereof. At all times relevant herein, the UNIFORMS were in substantially the same condition as they
14 were when they were originally placed into the stream of commerce by defendants TWIN HILL and
15 TAILORED BRANDS; and DOES 1 through 100, inclusive and each of them.

16 22. Defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100,
17 inclusive, and each of them, by and through their officers, directors, employees and/or managing
18 agents, designed, tested, manufactured, and distributed garments and accessories, including the
19 UNIFORMS, to their retailers and customers. The UNIFORMS, contained design and manufacturing
20 defects, including design characteristics and materials which increased the likelihood of a serious
21 injury or death from the chemicals found in the UNIFORMS when the UNIFORMS were being used
22 in a reasonably foreseeable manner.

23 23. Prior to the distribution of the UNIFORMS to the American Airlines employees,
24 including but not limited to plaintiffs, the officers, directors, employees and/or managing agents of
25 defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100, inclusive and each of
26 them, were aware of the danger of the UNIFORMS and the severity of the risk of injury or death to
27 consumers, bystanders and users of the UNIFORMS.
28

1 24. Specifically, prior to the distribution of the UNIFORMS to the American Airlines
2 employees, including but not limited to the plaintiffs, the officers, directors, employees and/or
3 managing agents of defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100,
4 inclusive and each of them, were aware that the UNIFORMS at issue herein, were dangerous in their
5 design and manufacture, and that these UNIFORMS were dangerous when used in a reasonably
6 foreseeable fashion, and that the UNIFORMS lacked proper inspections and guard mechanisms to
7 ensure the materials utilized in the production of the UNIFORMS were safe for Plaintiffs. The
8 aforementioned UNIFORMS were designed and manufactured in such a way that an unreasonable risk
9 of injury was posed by the presence of chemicals in the UNIFORMS when used in a reasonable
10 foreseeable manner.

11 25. The production of the UNIFORMS as well as the UNIFORM distribution lacked such
12 reasonable protective measures to prevent injury from dangerous chemicals bonding to the
13 UNIFORMS, despite the fact that TWIN HILL and TAILORED BRANDS; and DOES 1 through
14 100, inclusive, and each of them, were aware of the importance of preventing injury from potentially
15 dangerous chemicals used in the production process and embedded in the UNIFORMS, were aware of
16 the importance of the proper safety mechanisms, such as inspections and proper manufacturing
17 oversight, and despite the fact that it would have been practical and relatively inexpensive for
18 defendants TAILORED BRANDS and TWIN HILL; and DOES 1 through 100, inclusive, and each of
19 them, to incorporate alternative designs and/or chemicals into UNIFORM production, including
20 additional and appropriate safety mechanisms and inspections that would have reasonably protected
21 consumers and users of the UNIFORMS from unreasonable risk of injury.

22 26. Prior to the subject incident, the officers, directors, employees and/or managing agents
23 of defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100, inclusive and each
24 of them, knew, or should have known, that the UNIFORMS, were substandard and dangerous and
25 would not provide reasonable safety to consumers during foreseeable use, causing the users or
26 bystanders to suffer serious injury during foreseeable use. Moreover, TWIN HILL and TAILORED
27 BRANDS officers, directors, employees and/or managing agents, knew or should have known, that
28 the UNIFORMS, were extremely dangerous and defective with the likely result of serious bodily

1 injury to the users and consumers of such UNIFORMS. The officers, directors, employees and/or
 2 managing agents of defendants TAILORED BRANDS and TWIN HILL; and DOES 1 through 100,
 3 inclusive and each of them, knew, prior to the distribution of the UNIFORMS to the American
 4 Airlines employees including but not limited to Plaintiffs and even prior to the manufacture of the
 5 UNIFORMS, of the availability of safer, affordable alternative designs and manufacturing processes
 6 for the production, inspection, and distribution of the UNIFORMS, which would have reduced or
 7 eliminated the risk of severe injuries to its consumers, users and bystanders.

8 27. Despite this knowledge, defendants TWIN HILL and TAILORED BRANDS; and
 9 DOES 1 through 100, inclusive and each of them, by and through their officers, directors, employees
 10 and/or managing agents, failed to recall and/or replace the UNIFORMS, issue safety bulletins to the
 11 public, advise or warn purchasers or potential users, such as Plaintiffs, by providing warnings of the
 12 severe risk of injury from use of the UNIFORMS. Although the officers, directors, employees and/or
 13 managing agents of defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100,
 14 inclusive and each of them, were aware of the need to recall and/or replace these garments, including
 15 the UNIFORM, issue public safety bulletins, and/or provide adequate warnings and inspections,
 16 defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100, through the decisions
 17 of their officers, directors, employees and/or managing agents, acted in conscious disregard of the
 18 rights and safety of consumers, users and/or bystanders, by failing to utilize available safer alternative
 19 materials, designs, adequately warn of the hazards, and/or replace or recall these UNIFORMS, prior to
 20 the distribution of the UNIFORMS to American Airlines employees including but not limited to
 21 Plaintiffs.

22 28. At all times mentioned herein, the officers, directors, and/or managing agents of
 23 defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100, inclusive and each of
 24 them, authorized and/or ratified the conduct of their employees, who knew or should have known of
 25 the growing number of serious injuries to consumers, users, and bystanders resulting from the
 26 defective condition of the UNIFORMS, designed and distributed by defendants, and the need for an
 27 alternative design, alternative materials, lack of injurious chemicals, and use of safety devices,
 28 inspections, and different chemical process, and additional warnings.

1 29. Plaintiffs are informed and believe, and thereupon allege, that on or about the time of
2 the use of the UNIFORMS, the UNIFORMS were being used in a reasonably foreseeable manner. As
3 a direct and proximate result of the defective condition of the UNIFORMS, and the conduct of
4 defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100, inclusive and each of
5 them, the UNIFORMS seriously injured Plaintiffs while wearing or being exposed to the UNIFORMS
6 in a reasonably foreseeable manner, causing injury to the Plaintiffs, as set forth below.

7 30. As a direct and proximate result of the conduct of defendants TWIN HILL and
8 TAILORED BRANDS; and DOES 1 through 100, inclusive, and each of them, as aforesaid, Plaintiffs
9 were injured and hurt in their health, strength and activity, sustaining injuries to their bodies, and
10 shock and injury to their nervous system and person, all of which said injuries have caused and
11 continue to cause the Plaintiffs great physical, mental and nervous pain and suffering. Plaintiffs are
12 informed and believe and thereupon allege that said injuries will result in some permanent disability,
13 all to their general damages in an amount according to proof pursuant to California Code of Civil
14 Procedure Section 425.10.

15 31. As a direct and proximate result of the conduct of defendants TWIN HILL and
16 TAILORED BRANDS; and DOES 1 through 100, inclusive, and each of them, Plaintiffs have been
17 compelled to employ the services of hospitals, physicians, surgeons, nurses and the like, to care for
18 and treat them, and have incurred hospital, medical, professional and incidental expenses, and
19 Plaintiffs are informed and believe and thereupon allege that by reason of their injuries, Plaintiffs will
20 necessarily incur additional like expenses for an indefinite period of time in the future, the exact
21 amount of which expenses will be stated according to proof, pursuant to California Code of Civil
22 Procedure Section 425.10.

23 32. As a direct and proximate result of the conduct of defendants TWIN HILL and
24 TAILORED BRANDS; and DOES 1 through 100, inclusive, and each of them, as aforesaid, Plaintiffs
25 were prevented from attending to their usual occupation, and Plaintiffs are informed and believe and
26 thereupon allege that they will thereby be prevented from attending to their usual occupation for a
27 period of time in the future, and thereby will also sustain a loss of earning capacity, in addition to lost
28 earnings, past, present and future; the exact amount of such losses is unknown to Plaintiffs at this

1 time, Plaintiffs allege said amounts according to proof, pursuant to California Code of Civil Procedure
2 Section 425.10.

3 **SECOND CAUSE OF ACTION**

4 **NEGLIGENT PRODUCTS LIABILITY**

5 **(Against all Defendants; and DOES 1 through 100 inclusive)**

6 33. Plaintiffs allege as though fully set forth at length, and incorporate herein by reference,
7 all of the allegations and statements contained in paragraphs 1 through 32, inclusive, of the General
8 Allegations and the First Cause of Action.

9 34. Plaintiffs are informed and believe, and thereupon allege, that at all times mentioned
10 herein, defendants TWIN HILL and TAILORED BRANDS; and DOES 1 through 100, inclusive, and
